

DESCRIPTION

An impressive example of the possibilities of artisanal glass, the Ombré chandelier is comprised of flat glass panels staggered down from a circular ceiling base. The panel colours fade from a warm amber to clear glass near the bottom of the fixture. Ideal for a foyer, above a staircase or other high ceiling spaces where an impactful light is desired.

As shown in image- 144 glass panels staggered down from a 24”D ceiling base with an amber to clear gradient. Total drop from ceiling 5’.

TECHNICAL SPECS

- Powder coated metal ceiling plate houses the transformers (size and color are custom)
- Glass panels measure 3”x10”
- Dimmable LED bulbs
- Custom size and colour combinations available
- All of our products are ESA approved
